Dr. Al Howard has been in ministry since 1971. He is no stranger to controversy, often crossing dividing lines and knocking down walls that have separated the body of Christ. He has sailed many an uncharted course during the past 40 years.

In 1983 God spoke to him to “do something about abortion”! As a result of this unique call on his life, he has known both, love and rejection, honor and disdain, gratitude and misunderstandings.

Both Pastor Al and his wife Judy are involved in every aspect of the pro-life movement, speaking into the lives of those in their own ministry, churches, high schools, seminars, etc.
