BOND AA	In the 1970's the California Education system was the envy of the nation. Now California's schools are ranked in the bottom half of the nation. Local property owners are now being asked for more money. What happened to the money we already gave? And while we are all for veterans, education for veterans is a federal issue not a state issue.	NO

Perry</i> ,[76] the case in which Proposition 8 was found unconstitutional.[77]
