

FIRST: Keeping the Young Person Pure.**Psalm 119:10 NIV "How can a young man keep his way pure? By living according to your word."**

The profound wisdom found in the verse above is just as true today as it was when it was first given. Knowing and choosing to live according to Biblical truths will allow young people to avoid the pitfalls of unhealthy sexual decisions that are so prevalent today. The programs recommended below are not meant to supplant the Bible training given by the homeschooling parent, teacher, youth leader or youth pastor. Rather, they are given as additional resources to help reinforce the Judeo/Christian ethic so needed by young people everywhere.
