

## ★ ★ Your Vote Counts ★ ★

IN 1921, a single vote put Adolf Hitler in power. You may be "just one vote" . . . but that single vote has written history many times!

### WHY SHOULD CHRISTIANS BE INVOLVED?

We are commanded to submit to, show respect and honor our civil authorities (Rom. 13:1-7, 1 Pet. 2:17). In America's unique style of democratic governance, we as citizens are asked to participate in government through our taxes, through our voice and through our vote. If we fail or refuse, we are abdicating our civic and God-given responsibility, as well as missing a valuable opportunity to influence our society for the sake of righteousness.

### YOU SHOULD REGISTER OR REREGISTER TO VOTE -

- ✓ If you are a U.S. citizen, and at least 18 years old by the first Tuesday in November.
- ✓ If you have not voted for some time.
- ✓ If you want to change your party affiliation.
- ✓ If you recently moved.
- ✓ If you recently changed your name.

Have any doubts? Register again, just to be sure. Check your state's laws regarding registration. For example: when is the cut-off date to register before an election?

### ABSENTEE VOTING (BY MAIL) --- THE EASY WAY!

- ☒ Simply fill out the application form in your sample ballot. Put on a stamp and mail it. You will be sent an absentee ballot.
- ☒ If you have a permanent reason (such as a disability) for voting by mail, ask for a permanent absentee ballot.
