## Life Amendment Report - Spring 2019

*Earl and Judy DeVries*

Thank you for your support and interest in the Life Amendment to the Constitution! Earl and Judy DeVries gave their report of the January 2019 March for Life in Wash. DC. where they had a display table for the Life Amendment.

Judy gave a great report. Here are the hi-lights:

### **Report:**

- 80% young people at the March for Life.
  - Banner good, quotes great, vast majority understood the idea of a Life Amendment as the words are so easy to understand.
  - Life Amendment buttons were everywhere! Judy and Earle had brought a thousand buttons with them.
  - Only those who are pushing a personhood amendment in their own state had any negative comments.
  - The envelope with material for leaders was a wonderful idea and they were distributed to every booth.
  - The March for Life was unbelievable! Thousands and thousands of people. Should be on everyone's bucket list. They had folks from their own church, who happened to be there, help hold the banner in the March and the Life Amendment signs as they handed out the tabloids (newspapers).
  - They also attended the Evangelical Conference about 20 min. outside of Wash D.C. Much smaller than the Conference at the hotel where the booths were.
- Judy got interviewed on national TV - a cousin in Iowa saw her! (They cut out much of what she said especially about the Life Amendment.)
  - Met great people - Trent Frank's chief of staff who now works for the Heritage Founda-

tion who is strongly pro-life and is considering running for Congress in the future.

**Suggestions:**

**Have more people to help. If you decide to go to the March for Life next year, let us know!**

- Possibly contact the March for Life Committee to be listed on their website and to speak at the rally.
  - Follow-up with e-mail/call to signers. Yes, every name has been typed into an Excel spread sheet and will be contacted.
  - Yes, attending the Rose Dinner would offer a chance to meet the leaders.
  - Also look into having a small meeting hosted by ourselves (Life Amendment Coalition).
  - Stay in the same hotel as the displays and conferences rather than drive there every day.
-
