

God's Word and the Human Unborn

Although the word abortion is not mentioned in the Bible, the following verses will help us see that God's Word says **The unborn infant is fully human and a person from conception.**

- 1 What three words does David use to declare his personhood before birth? Psalm 139:13-16

- 2 What three words does God use to declare Jeremiah's personhood before birth? Jeremiah 1:4-5

- 3 Explain different ways God made man. Genesis 2:7 and Job 10:12, 10:8-12, 13:15

This may help us to understand why it is that John the Baptist, while still in utero, can rejoice at the sound of Mary's voice (**Luke 1:41-44**). He has been a human being for six months and, although filled with the Holy Spirit as he does, has the beginnings of all the attributes we have as persons.

- 4 What can happen to a nation that sheds innocent blood? 2 Kings 17:16-20, 24:14, Leviticus 20:1-5, Jeremiah 32:35, Proverbs 6:16-17, Exodus 23:7, Genesis 9:6, Deuteronomy 27:25

- 5 How does Christ say we should treat innocent children? Psalm 106:37-38, Matthew 5:17-21, 18:10-14, Luke 17:2, 1 John 3:11, 16-18, Isaiah 40:11
